Special Option Available to Champion Level Members Only

Champion Plus

Some organizations are eager to participate in *Everyone Ready* at the Champion level but want more support from Energize either to consult on the launch, generate greater interest in the first year, or sustain involvement later in the program. So we offer a special option at the cost of an additional **\$10,000 a year** for “**Champion Plus**” extra services (for a total of \$36,000 a year), including:

1. On-Site Day

One (1) on-site day (provided by either Susan Ellis or Betty Stallings), scheduled mutually, that you can use for either:

a. A technical assistance visit to your headquarters or an affiliate site – your choice of any combination of one-to-one meetings, small group discussions, and in-house staff training.

or

b. Speaking at one of your organization’s scheduled national or regional conferences or conventions in any combination of plenary addresses, breakout workshops, or consultations for up to six hours in one day.

Note: Travel expenses for such on-site visits will be billed separately, as incurred.

2. Customizing Your Main Page and Program Materials

You’ve spent time and money branding your organization’s logo and visual presentation. As a **Champion Plus** member of *Everyone Ready*, we will individualize your Main Page (see page 9) with your logo and an area for special text determined by you such as updates, announcements for in-house meetings or conference calls. Further, all Self-Instruction Guides will appear with your logo on the cover.

3. Consultation

Additional consultation by phone and e-mail to assist in tailoring the program components to your needs, up to two hours per month. This can include technical assistance from our Web Master, materials formatting help from our publishing staff, or content consultation from any of our trainers or authors. You are welcome to make these a conference call to include whatever staff members from your organization that you need in each discussion.

The **Champion Plus** level of enrollment is available to you at any time during your membership and can be purchased for a single year or multiple years.
